- For more information on County benefits, please visit [here](#).

WORK ENVIRONMENT

The RFCC is a secondary PSAP serving the Santa Barbara County region dispatching fire-rescue resources for all cities (4) and fire protection districts (3) and for the Santa Barbara County contract ambulance provider and is a 24-hour / 365-day operation. It is a partnership between member agencies and administered by the Santa Barbara County Fire Department. The partners provide input to the RFCC business plan through its Joint Executive Committee (JEC) and to daily operations through the Joint Operations Committee (JOC).

The RFCC is the dispatch center for the Santa Barbara County Operational area of the California OES Fire & Rescue Mutual Aid System. It is also responsible for ordering, dispatching, and tracking resources including engines, crews, dozers, aircraft, and overhead personnel as required through the Santa Barbara County Fire Department's contract with CalFire. The RFCC interacts frequently with other agencies including CalFire, California OES, California State Parks, National Park Service, U.S. Coast Guard, U.S. Air Force, and U.S. Forest Service.

The RFCC anticipates answering approximately 71,000 emergency calls and completing 45,500 incident dispatches in the initial year of operation. Average daily incoming emergency call volume is anticipated to be 194 with 125 dispatched incidents of all types. Further activity will include a number incoming and outgoing administrative calls to be determined through policy and procedure development. This work will be handled by 5 dispatch supervisors and 18 dispatchers supported by dedicated IT and GIS staff.

DESIRED CHARACTERISTICS:
